3rd October 2016

Dear Parent/Carer,

Due to the huge success and generosity of our Harvest Festival donations, Margaret Brice who is the project Co-ordinator for the local charity Hambleton Food Share (<http://hambletonfoodshare.org.uk>), has asked if Brompton Community Primary School can help by being a Food share contact for them. Hambleton Food Share is a community partnership which provides emergency parcels for people who may be experiencing difficult times and the parcels provide a support to get them through until they are back on their feet.

If you, or anyone you know are going through a time where you may need this support please come to the school office where we will support you under strict confidentiality, in acquiring a parcel that you will be able to collect from school at your own convenience.

Yours sincerely,

Jane Byrne
