

British Values Statement - Brompton Community Primary School

Brompton Community Primary School is committed to serving its community and surrounding areas. We recognise the multi-cultural, multi-faith nature of the United Kingdom and understand the crucial role our schools play in promoting these values. We are a school for all. This statement outlines the key British values we actively promote.

The Rule of Law

We have links with the local police through the PCSO and Crucial Crew programme.

We have a clearly structured behaviour policy which all stakeholders understand and follow.

We regularly review behaviour incidents in school and share these with key stakeholders.

Assemblies are delivered with a focus on the law e.g. Safety Awareness and F-safetv Awareness

Democracy

Children are involved in Democratic processes e.g. voting for school house captains and shared rewards.

The school council provides a pupil voice who adhere to democratic processes.

We have links to the local PCSOs who come into school to educate the children about upholding British law and the prosecution service.

Mutual respect for and tolerance of others

Our PSHE&C curriculum embodies values of mutual respect through units of learning such as relationships and being a responsible citizen.

Respect is embedded within our whole school.

Our R.E curriculum provides a broad and balanced education on a range of faiths, religions and cultures.

There is a strong focus on the Christian values.

We have a growing number of E.A.L children and actively use school resources to promote their learning and integration into our school society.

We have visitors from other faiths who share their language and culture with our pupils

We regularly celebrate Festivals and Celebrations of a range of faiths practiced in Modern Britain.

Individual Liberty

Children have key roles and responsibilities in school, such as children in Key Stage 2 who take on the roles of Sports leaders, Listeners and Librarians. Within school, children are actively encouraged to make choices, knowing that they are in a safe and supportive environment.

As a school we educate and provide boundaries for children to make choices safely.

Through our clubs and opportunities, children are given the freedom to make choices.

The aims and ethos statement are embodied in all that we do
