

Happiness Through Learning.

Brompton Community Primary School

Our Mission Statement

2024 - 2025.

We will ensure that our school offers warmth and security within a stimulating and safe environment.

We will encourage our children to develop self-respect and respect and consideration for others regardless of gender, race, culture, language, religion or disability.

We will provide a creative and skills-based curriculum with a range of teaching strategies, to cater for the needs and talents of every child.

We will build upon each child's existing abilities and successes and encourage the highest possible standards of work and behaviour.

We will ensure that every child has a good understanding of their mental health and well-being and what makes a healthy lifestyle.

We will guide our children towards working with independence, using their initiative and showing a sense of responsibility whilst taking pride in their achievements.

We will ensure that children's rights are learned, understood and lived in this school.

We will value our partnership with parents and our links within the local and Global community.

We will encourage our children to build a 'Legacy' and be the best that they can be.

'Build Your Legacy - This is Your Time'.
