Dear Mrs Byrne,

I was delighted to learn recently of your achievement in increasing the proportion of your pupils which attained the expected standard in reading, writing and mathematics last year.

My congratulations to you and to the whole of your team, which I would be grateful if you could pass on to them, on this improved performance. I especially commend the hard work of the teaching staff in achieving this under the more demanding reformed KS2 tests.

Having visited Brompton on a number of occasions, and been impressed by the staff and pupils I met, I know how much this will mean to everyone at the school.

Congratulations again to you and your team on this terrific achievement. Thank you all for your hard work, and I wish you all a successful 2019.

Kind regards,
